

## BARKLY SQUARE CHILD SAFE CODE OF CONDUCT

### Market Stallholders

---

BGT Jobs & Training Ballarat seek to provide a safe, supportive, welcoming, and engaging experience for all those who work, volunteer and visit Barkly Square.

Barkly Square is home to many organisations and groups that are required to comply with the Victorian Child Safe Standards, and similarly BGT has made the commitment to ensure our organisation is a safe space for children, young people and/or vulnerable people. BGT strongly supports the notion that society has a shared responsibility for promoting the wellbeing and safety of all children.

As a market stallholder, we request that if you or your staff have any relevant criminal convictions relating to child-safety, they be disclosed (any disclosures will be held in the strictest confidence within BGT). BGT/Barkly Square reserve the right to reject a stallholder's application if they feel there is a safety risk to visitors.

Failing to comply with the terms of this agreement may lead to your exclusion from Barkly Square.

If you have any questions about this code, please contact Emma Hart (BGT Operations Manager) on 0492 925 931.
